

Make your way through the green cycle maze

Follow the journey a tree takes to becoming paper, being recycled and turning into compost for new trees.

For answer, parents should visit DexKnows.com/Green/educationk3_answers.com.

Some easy ways to be earth friendly

- 1** Use recycled paper and envelopes when you can
- 2** Recycle your household paper and newspapers
- 3** Don't waste paper – use both sides
- 4** Bring a cloth or canvas bag when you shop
- 5** Use a lunch box or lunch bag instead of bringing a paper bag

Cut this out and bring these tips with you!
