**GREEN
CYCLE**

Here are some fun activities to help you learn more about recycling and what you can do to help keep our environment clean.

Our directories are 100% recyclable

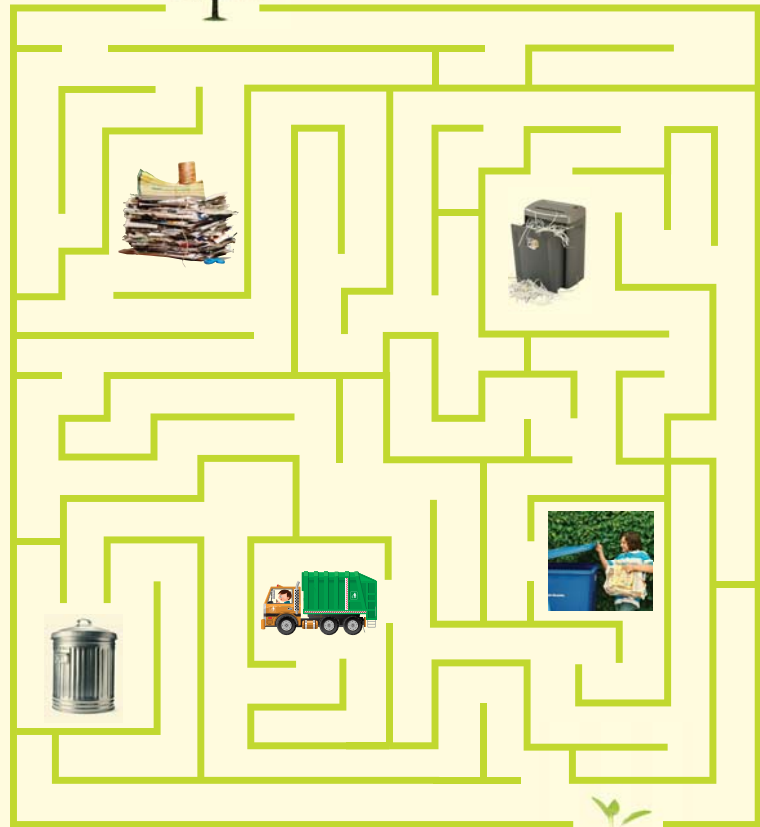

Learn about the lifecycle of our directories and how they are made.

Make your way through the green cycle maze

Follow the journey a tree takes to becoming paper, being recycled and turning into compost for new trees.

For answer, parents should visit DexKnows.com/Green/educationk3_answers.com.

Some easy ways to be earth friendly

- 1** Use recycled paper and envelopes when you can
- 2** Recycle your household paper and newspapers
- 3** Don't waste paper – use both sides
- 4** Bring a cloth or canvas bag when you shop
- 5** Use a lunch box or lunch bag instead of bringing a paper bag

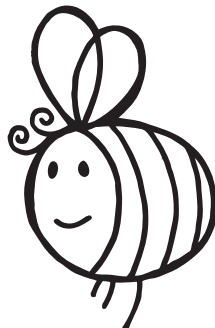

Cut this out and bring these tips with you!

Color us!

After you color these recycling helpers, hang them up in your home to remind your family and friends to be more earth friendly!

Becoming
greener starts
with you.

GREEN CYCLE

The environment ties us together.
